From the publisher

For more than 150 years, Associated Newspapers has brought local news to communities in this area. These publications have won hundreds of both state and national journalism awards during that century and a half of publishing and have weathered some serious challenges.

The past few weeks have presented a serious challenge as our editor who is our only editorial staff member, suffered a serious injury and is unable to produce any copy for our local pages. She will be incapacitated for several weeks.

We hope that explains the few pages online this week as we attempt to make decisions and plans for the future.

It is and has been for many, many years, an honor and a privilege of our publications to be entrusted with the publication of legal notices from several communities in the area. Above all else, we plan to honor that trust and publish the vital legal notices this week, although our news coverage is severely lacking in both our usual quality and quantity.

These serious circumstances will impact our plans for the future, but those plans will include, as they have for more than 150 years, our constant commitment to best serve our readership and our communities.

Voters to decide school millage renewal question I Feb. 27.

The Non-Homestead millage renewal, covers operating revenue that impacts the Plymouth-Canton school district over the next 20 years. Last renewed in 2014, this is a request to continue funding what has been in place since 1994. The source of funding only impacts local businesses, second homes, commercial, industrial and non resident properties. The proposal does not apply to private residences' or raise taxes.

The millage represents the Plymouth-Canton Schools' (P-CCS) general budget by $33.5 million dollars.

Considered one of the best school districts in the State with 16,200 enrolled students, the funds are used for support staff, social workers, counselors, nurses, safety officers and teachers. It is important to note that if the millage is not approved, the funds will not be covered by the State of Michigan.

Local businesses will maintain the same rate as before.

The breakdown is that the district is able to levy 18 mills on Non-Homestead property through the 2023-24 school year. Renewed, the millage would stay at the same rate.

Plymouth Canton Superintendent of Schools Monica Merritt spoke about the upcoming commercial property millage ballot question at the meeting of the Plymouth Rotary Club last week.

Which means for a property value at $200,00 the tax cost would be $3,600. Superintendent of Plymouth-Canton Community Schools, (Recipient of the 2023 Superintendent of the Year Award), Dr. Monica Merritt, spoke at the Plymouth Rotary Luncheon on Friday Feb 9 to clarify any possible confusion concerning the millage. "This is a renewal, when I say renewal, it is not a tax increase or a new ask. It is for businesses, commercial properties and second homes." She continued, "What does this support in Plymouth-Canton? We always hear about our teachers who are a treasure trove of talent...we have over 1100 teachers in Plymouth/Canton and want to support our dynamic educators."Voting in January, the Plymouth Community Chamber of Commerce, stated by letter, that the board of directors supports the millage renewal. The Chamber's mission is to continue supporting economic growth to best serve the citizens of the Plymouth Community. For more information on the grant go to: PCCSK12.com

Northville Police Department awarded state re-accreditation

The professionalism of the Northville Township Police Department was recognized last week with the re-awarding of accredited status by the Michigan Law Enforcement Accreditation Commission (MLEAC). Accreditation verifies that the police department is dedicated to following the best practices of law enforcement, according to the commission website. By reviewing written documents, interviewing agency members and inspecting the township public safety headquarters, the MLEAC

assessment team verified that the Northville Township Police complies with 108 standards applicable to the department.The assessment team is qualified to assess the performance of a department as it comprises law enforcement practitioners from similar Michigan police agencies. One member noted the low use-of- force rate. "This success is attributed to the efforts of our training staff putting together exceptional, relevant training; the efforts of dispatch controlling and directing a scene prior to patrol arrival; and then officers managing the scene and employing de-escalation whenever possible," said Lt. Patrick Reinke. Reinke also thanked the entire staff for participating in the rigorous process, including Public Safety Manager Lisa Harrison, who heads the accreditation team. "Accreditation makes our department stronger," said Chief of Police and Director of Public Safety Scott Hilden. "We have greater accountability, we reduce our risk and liability, and our operation runs efficiently as we tailor our responses to our community's needs."

Northville Township Deputy Police Chief Matthew MacKenzie, left, Professional Standards & Training Ofc. Kristen Romac, Public Safety Manager Lisa Harrison, Lt. Patrick Reinke, Communications System Coordinator Elizabeth McCormick and Chief of Police/Director of Public Safety Scott Hilden show off the official certificate of re-accreditation of the police department.

Northville Township Police Department first received MLEAC accreditation in February 2018. Reaccreditation occurs every three years making this the second reaccreditation for Northville Township. Northville Township was one of 10 agencies that renewed their accreditation. Twelve agencies received their initial accreditation, including the Michigan Department of Attorney General's Criminal Investigations Division, the first state agency Policy to be accredited.

"Accreditation ensures that we've adopted best practice standards in law enforcement, which equips us to provide an exceptional level of customer service to our community," Hilden said. To learn more about the process, visit the Michigan Association of Chiefs of Police.

Pedestrian Killed Crossing Ford Road

Second Pedestrian Fatality This Year

Canton Township

A 55-year old Canton man was killed walking near Ford Rd and Lilley Rd on Feb 6th at 9:22 pm. The black Chevy Malibu was driven by a 23 year-year Ypsilanti man. The police have not released the name of the 55-year-old Canton man who was killed in the crash, Police do not believe that alcohol was the issue.

.

This is the second accident on a Canton Township road in 2024. Earlier this year on January 10th at 10:38 pm, a 43-year-old Van Buren Township resident was walking near Interstate 275 and Michigan Avenue when killed by a hit and run. Police found the man lying dead in the road. The vehicle that could have been involved may be a black 2010 or 2011 Toyota Camry. The investigation is ongoing

According to Police, the driver did not stop. No further details were released.

Anyone who may have been a witness to the hit and run or have any information in regards to the crash can contact the Canton Police Department at 734-394-5400.

Doggone

Canton police K-9 officer and partner to retire from department

Canton Township Police Ofc. Bryan Szostak and his canine partner Ragnar will retire from the department.

Szostak began his 25-year career with the Canton in February 1999. Serving as a midnight shift patrol officer for his full career, Szostak responded to calls for service, provided traffic enforcement, conducted criminal investigations, and responded to emergency situations throughout the community, according to a department spokesman. In addition to his patrol duties, Szostak was involved with three special units for more than 20 years each.

Szostak has been a member of the department prestigious honor guard for the 24 years. As one of the founding members, and current leader, he has participated in Posting of the Colors for a multitude of ceremonial events throughout Canton and across the state.

Szostak is also one of the veteran advisors for the Explorer Unit, a program designed for teens interested in a career in law enforcement. Since 2000, he has dedicated countless hours to train and mentor students through instruction, scenario-based events, and the annual Governor's Cup state competition.

The role Szostak is most notably associated with is that of Canton Township Police Canine Officer for two decades. Szostak's passion for this unit has been unwavering and his love and commitment to his former canine partners Poncho and Hoss, and his current partner Ragnar, is evident to all who were around them. Szostak and his respective canine partner continuously trained in the tracking and apprehension of suspects, evidence, building, and missing person searches, crowd control, search warrants, and they

participated in the ever-popular public demonstrations. Szostal and his canine partner were also required to certify bi-annually with the National Association of Professional Canine Handlers. Szostak has received numerous department awards and citations, as well as citizen recognitions for exceptional service, throughout his career. His knowledge, dedication and outgoing personality will be missed by his co-workers, police officials said.

Canton Police K-9 Ofc. Bryan Szostak and his partner Ragnar will retire from the department this month.

"Today we honor Officer Szostak's retirement, celebrating a remarkable career fueled by dedication and a profound commitment to policing," said Police Chief Chad Baugh. "His transformative role with canine policing and training has set new standards of excellence and expectations within our force. Bryan's dedication to community outreach, especially his work with children on the importance of police canines, has strengthened the bond between our citizens and police officers. As he embarks on retirement, we are confident that his legacy will continue to inspire and impact our community for many years," Baugh added.

Closing of Northville Downs - A Bittersweet 80th Anniversary Celebration

With more than 80 years of entertainment for horse racing enthusiasts, the oldest horse racing facility in Michigan, Northville Downs, held it's final race on Saturday, Feb. 3, 2024. A piece of history being lost, as Horse race betting is the oldest form of legal gambling in the state. Northville Downs opened in September 1944 offering the first night time harness racing in the United States. From it's inception it has been in operation. The "Downs" has been open from noon until midnight every day offering simulcast races from across the country. Located on Center St and 7 Mile Rd it replaced the Wayne Country Fair where Joe Louis trained in 1939 for the World Championship. In Michigan, breeding, training and racing standards dates back to the 19th century. At one point, Michigan was home to six harness racing tracks. In the last 15 years, three of the remaining four tracks — Jackson, Sports Creek and Hazel Park in Detroit — have all closed. That left Northville as the only track left. This has contributed to a mass exodus from the state by people who race horses for a living.

With a unanimous vote, Plymouth Township reversed the motion which had approved construction of a new track. This would have been built on 128-acres owned by Northville Downs. With recent developments, it has left a void for horse racing in Michigan with little preparation for horse owners and administrators time to react. Increased shipping and travel expenses have left Racehorse owners with few options, since they will have to race in other States to stay in business.

While searching for a new home, Owners may have limited options such as Historical Racing machines - similar to slot machines where betting can be waged on past horse races.

Heritage Bakery 40 years of Baking

New Owners - Celebrating Fat Tuesday Busiest Day of the Year

LIVONIA — Steeped in 40 years of tradition but with the eye on the future, Heritage Bakery, located at 37458 Five Mile Road, has been a popular go to location for baked goods. Best known for their doughnuts, warm pretzels (baked throughout the day) and pasties, Owner, John Goci continues to expand and reinvent favorites while embracing the traditional. Yesterday was Fat Tuesday and one of the busiest days of the year for the neighborhood bakery. This year, they offered a variety of flavors along with the traditional paczki at $3. This season the flavors included Chocolate, Custard, Bavarian Cream, Raspberry, Strawberry, Blueberry, Cherry, Apple, Lemon, Cream Cheese, Apricot and Prune. Deluxe Paczkis were also being offered. They are sandwich shaped and hand piped with more filling - cost $4.00. The Bakery offered daily orders making available whatever customers wanted for the following day.

Speaking with Mr. Goci Wednesday afternoon he said, "Yesterday was the busiest day we've had since taking over the bakery. The lines started at 4:00 in the morning and didn't stop. Even at closing time we were receiving more orders, making paczki after bakery hours". He continued, "This morning the calls are still coming in so we are baking to keep up, already selling out twice and it's only 1:00 pm. Because of the demand we are going to offer paczki every Friday."

Mr. Goci is proud of how they maintain the quality of their baked goods "Everything is still made by hand the old-fashioned way," "It's labor intensive." "Many of our customers have been coming to the bakery since it opened in 1983", then owned by Vic and Lidija Vangelov. They still maintain a relationship with Mr. Goci and sometimes come by to help out. The Bakery also sells bread, cookies and cannolis. Plans to introduce gluten free is on the list of just some of the changes that Mr. Goci has planned.

The bakery's hours are Tues through Friday 6 am to 5 pm, Sunday 7 am to 3 pm, Closed on Mondays. The website is under construction.
